ADDENDUM 001
REQUEST FOR QUOTATION (RFQ) NUMBER: NE15-37Q-R2
Rut Repair

February 17, 2015

The following changes/clarifications have been made to the above referenced RFQ:

1) *We have received a determination from the Missouri Department of Labor that Workmen's Compensation Insurance is required of all Contractors doing work on behalf of MoDOT. Therefore the "clarification statement" included in the original RFQ document was incorrect and the number of employees is not a factor in determining the requirement for this coverage.*

The response deadline (1:00 PM on Thursday, February 19, 2015) has not changed.

Thank you.
